

Department of Crop Science

Accession Number	Name of the Student	Research Title	Year	No of Pages	Internal Supervisor/s (Principal; Co-Supervisors)	External Supervisor/s
01	Subasinghe, S.	Effect of lime and molybdenum on growth, nodulation and nitrogen fixation of winged bean	1982	41		
04	Prematilaka, K.G.	Effect of rate and time of application of fertilizer on winged bean	1982	61		
05	Samarawickrama, P.	Some preliminary studies on the effect of fertilizer combinations on the growth of dendrobiums	1982	25		
06	Perera, K.L.S.D.	Chemical control of illuk grass (Imperata cylindrical)	1982	22		
07	Amarasekara, D.A.B.N.	Nodulation studies on some commonly grown legumes	1981/1982	63		
08	Umagiliyage, C.	Effect of nitrogen on the growth and yield of winged bean varieties	1982	ix, 71		
10	Chandra Kumarihamy, W.M.	The performance of the winged bean (F3 generation)	1983	48		
11	De Silva, H.J.M.	Studies on cinnamon (Cinnamomum varum)	1983	48		

15	Pemawathie, W.	The effect of methods of planting on the yield of two winged bean varieties	1983	64		
19	Kusumalatha, M.	Comparison of yield of winged bean with soybean	1983	64		
20	Wimalawathie, S.D.	Nodulation studies on winged bean varieties	1983	63		
24	Siriwardana, C.J.P.	Studies on the possible causal factors of leaf scorch disease of coconut	1983	31		
26	Wijesinghe, N.	Effect of weed competition duration on growth and yield of wetland rice	1984	59		
31	Suwanda Arachchi, M.S.K.	Inter-cropping studies with four grain legumes and three sweet-corn densities	1985	81		
32	Dayawathie, K.	Relative weed competitive efficiency of cultivated crops	1985	59		
50	Weerasinghe, S.W.K.	Variability studies of some quantitative characters of sixteen cowpea varieties	1984	60		
52	Indrani, E.H.	Screening fungicides on phytophthora blight in gingelly	1984	27		
56	Gunawardana, G.C.A.	Effect of temperature on soil nematode population and use of temperature and nematicides for control	1984	46		
70	Fernando, C.J.I.T.	Effect of NAA on growth and yield of chilies in the North Western dry zone of Sri Lanka	1986	56		

71	Ranjan Thrimawithana, G.	Growth dynamics of some annuals in regosol at Kalpitiya	1986	39		
76	Mathangasinghe, Asoka	To produce compact in-vitro potato plantlets using variety arka	1986	19		
78	Bandula, G.G.	Variability studies of some quantitative characters of twelve groundnut varieties	1986	59		
81	Mahanama, Saranaseeli	Maturity of early cultivars of groundnut under rainfed cultures in dry zone of Sri Lanka	1986	42		
82	Wijeratne, M.A.	Study of stomatal characteristics of two different clones of young tea in relation to potassium application	1986	45		
83	Rajapakshe, C.M.D.	Propagation of prosopis juliflora for establishment of live fences	1986	26		
84	Ratnasinghe, Gamini	Identification, distribution and management of pests of cowpea and groundnut in Mapalana	1986	40		
85	Wanniarachchi, Sudas Dayamurthi	A preliminary analysis of morphological and agronomic features; and yield characteristics of seven successive generations of a rice variety	1986	57		

90	De Silva, G. Rohan	Variability studies of some agronomic characters of sixteen cowpea varieties	1986	60		
91	Rupasinghe, Jagath Wicrama	The effect of shading, frequency of irrigation and fertilizer application on growth and bulb yield of onion	1986	56		
92	Wijekoon, W.M.S.	Monitoring of weed flora and density in an irrigated primary valley in lower Walawe area	1986	45		
93	Jayasena, P.A.	The effect of weed control in rice sown at different seed rates, with and without inoculation of azolla	1987	49		
94	Balasuriya, B.L.D.	Effect of molybdenum on inoculated cowpea	1987	52		
100	Bandara, K.M.A.	The effect of different levels of nitrogen on tuber bulking rate growth and yield of potato	1987	55		
101	Maheepala, S.A.S.	Phytotoxicity effect of herbicides on azolla duet cultured with rice	1987	108		
106	Weligamage, Senani Samarapala	Influence of plant hormones on flower shedding, immature fruit shedding and yield of cotton	1987	60		
107	Amarathunga, M.K.S.L.D.	A study on the factors that influence the differential performance of young tea during drought	1987	68		

110	Withanaarachchi, W.P.D.	Effect of inoculation and competition of a mixed strain inoculation on soybean	1987	59		
113	Gunasekare, M.T.K.	Growth and competitive ability of legume component in legume-cereal intercropping systems	1987	69		
114	Ramanayake, S.K.D.M.D.	Influence of plant hormones on flowering fruit set, yield and fruit quality of tomato	1987	44		
115	Pushpalatha, K.P.G.	Effect of types of cuttings, chemical treatments and planting media on rooting of cuttings	1987	46		
116	Rajapakse, S.D.K.	Variation in CO ₂ assimilating rates of some selected hevea brasiliensis clones	1987	48		
117	Dassanayake, Dammika Giethanganie D.	Effect of salinity on the growth and yield of two varieties of rice	1987	54		
122	Sepala, W.H.	Propagation methods of minimal (<i>Catharanthus roseus</i>)	1987	42		
125	Priyakanthi, Sujatha R.K.	The growth and competitive ability of cowpea with maize intercropping combination	1987	123		
127	Pushpakumari, A.S.	Some preliminary investigations on the allelopathic interactions of <i>Gliricidia maculata</i> and <i>Leucocephala</i>	1987	62		

128	Atapattu, Kusumalatha	Seed treatment of legumes to control ophiomyia phaseoli infestation in young seedlings	1987	46		
129	Ranmenike, A.	Evaluation of fifteen extra early varieties of cowpea	1987	56		
130	Samaranayaka, H.M.W.S.	Influence of plant hormones on flowering pod set and yield of winged bean	1987	49		
131	Wijetunge, Jayantha H.N.	Effect of seed inoculation on nodulation growth and yield of groundnut, cowpea and green gram	1987	45		
133	Shyamalee Githakanthi, B.M.	The effect of soil and fertilizer nitrogen on growth and nodulation of pueraria phaseoloides	1987	38		
134	Sisira, K.A.	Studies on root distribution pattern of cinnamon	1987	47		
147	Swarnalatha, H.M.L.	Effect of various kinds of phosphorus fertilizers and their different levels on iron toxicity in rice	1990	67		
156	Kasthuriarachchi, R.P.	Effect of planting times of two cowpea varieties on growth and yield parameters when intercropped with maize	1990	39		
157	Gunarathna Manike, Seetha G.R.	Effect of lime, molybdenum and cobalt on growth, nodulation and yield of cowpea	1990	29		

158	Rathnasinghe Disna Sumathi	Effect of potassium and dolomite application on growth and yield of rice	1990	68		
159	Lalitha Kumari, M.M.	Growth and adaptability of some nitrogen-fixing trees in low country wet zone	1990	49		
160	Haputhantrige, Renuka	Adaptability and yield potential of some vegetable and grain type soybean varieties under low country wet zone conditions	1990	39		
161	Shanthine, A.V.P.N.	Evaluation of cowpea genotypes for nodulation and nitrogen fixation	1990	44		
162	Somawathie, N.G.	Evaluation of groundnut genotypes for nitrogen fixation	1990	37		
163	Samudra, G.G.D.	Growth and adaptability of some nitrogen-fixing trees in low country wet zone	1990	46		
164	Ayasuriya, Sriyani E.J.	Evaluation of greengram cenotypes for nodulation and nitrogen fixation	1990	43		
165	Ananda, Thavayogini	Biomass production of various trees at different stages of growth	1990	54		
166	Sunil. P.A.	Effect of different types of organic manure application on the occurrence iron toxicity in rice and the soil nutrient status	1990	57		

180	Cooray, P.I.	Carbon budget in different rice varieties on iron toxicity soil	1991	61		
181	Meegahakotuwa, M.M.G.K.	Effect of paclobutrazol on seedling growth, morphological characteristics, and grain yield components of rice cultivars	1991	57		
182	Seelawathie, S.T.	The effect of different organic materials at different rates as substitutes for nitrogen fertilizer on growth and yield of lowland rice	1991	38		
183	Sumanawathie, Y.P.	Nodulation, growth and yield of some genotypes of mungbean as affected by the fertility regime	1991	64		
184	Perera, Wimal Anthony P.	Evaluation of vegetative propagation techniques in cocoa	1991	60		
185	Rathnayake, G.M.	Effect of indole acetic acid and benzyl aminopurine on germination and the initial growth rate of seedlings of citrus seeds	1991	42		
186	Gunawardana, T.M.	Surveying and mapping of weed flora in Sevanagala sugar project area with initial herbicides testing programme	1991	83		

188	Ariyawansa, Prasad Mohan	Effect of shade on dry matter yield determinants of hevea brasiliensis plants	1991	30		
189	Chandrani, A.	Use of readily available organic matter in lower land acidic paddy soils in Southern Sri Lanka	1991	67		
217	Ranasinghe, C.J.	The morphology and physiology of plant adaptation to adverse soil conditions	1991	62		
218	De Mel, Pradeep K.J.	Viability reduction of cinnamon seeds with storage period and the effect of plant hormones and storage temperature	1991	114		
219	Pathirana, S.M.P.N.	The influence of rice rhizosphere on some chemical and microbiological properties in an iron toxic soil	1992	41		
233	Lesly, W.D.	Effect of seed inoculation and nitrogen application on nodulation, growth and yield of mungbean	1992	66		
234	Upali, R.M.S.	Some studies on the weed management of sugarcane	1992	55		
235	Keerthi Weeralal, J.L.	Effect of planting density on growth, yield and other related factors of Hevea brasiliensis clone	1992	32		

236	Thamara Kumari, I.A.D.C.	Antibiotic resistant rhizobia in nitrogen-fixing trees and their characteristics	1992	viii, 109		
237	Premachandra, H.S.	A study on shoot growth pattern of different clones of tea in the low-country of Sri Lanka	1992	69		
238	Shirani, D.A.	Effect of ethephon on flower production characteristics in apple	1992	64		
239	Kodikara, Priyantha Bandula	Effect of planting density on growth, yield and some related factors of hevea brasiliensis genotype	1992	39		
255	Gamage, Chithra Wajira Kanthi	Evaluation of crop-weed competition between rice and Echinochola crus-galli using models	1993	71		
256	Chandani, W.A.	Mass multiplication of vesicular arbuscular mycorrhizal inoculum in different substrates using maize and sorghum	1993	50		
257	Dhammika, S.W.P.	The effect of zinc on the yield parameters of rice plant under submerged conditions	1993	28		
258	Pemasiri, S.P.	Vegetative propagation of cinnamon through air layering	1993	41
